

Book Launch – 1st September 2017

Next month sees the release of two books from Allmusic Guitar Tuition.

Guitar Studies (2nd edition) and the new release Short Melodies.

Lengthy preparation and care has been put into both publications to provide robust educational texts for the learning guitar player. The wide range of skills and techniques demonstrated across both books will provide a rich resource over an extended time frame.

Guitar Studies - \$39.00

A handbook for the learning guitarist. Suitable for the absolute beginner through to advanced players. Guitar studies contains instruction on chords, scales, strumming patterns and how to read music.

In addition to detailed explanations of each technique the book contains 25 performance pieces for the studying guitarist. (including 6 group performance pieces)

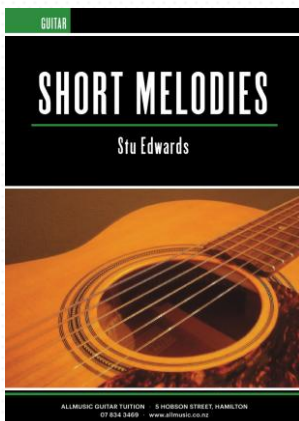

(Suitable for NCEA assessments – Level 1 through to 3)

Ideal for individual study or a concise guide to be used as a teaching resource.

119 pages – Allmusic Publications

First published in 2013 – Revised edition 2017

Short Melodies - \$25.00

20 short melodies for acoustic or electric guitar.

Pre-order copies contain the NZ National Anthem arranged for guitar.

Suitable for beginner through to advanced players.

Easy to follow tablature and notation format.

Styles ranging from Blues and Folk through to Neo Classical and Metal.

(Suitable for NCEA assessments – Level 1 through to 3)

Tested and used in a range of teaching environments.

25 pages – Allmusic Publications

First published in 2017
